Shine Saver Spray Buff

This product is a clear, pleasantly scented liquid for use where spray buffing is required for routine maintenance. Because this material is clear, it will not yellow or stain any floor. Spray misting reduces the necessity of frequent mopping, stripping and refinishing. After spray misting, floors are left with a bright, wet look gloss and the area, with a fresh, clean scent.

Directions

This product is designed to be used as is or it can be diluted with an equal part of water. Fill spray container with material and adjust nozzle to finest setting.

Position a polishing or spray-buff pad beneath machine brush or holder. For best results work an area about 4' x 4' at a time. Continue to work one small area at a time until entire floor has been covered. If pad becomes too soiled, as evidenced by grabbing tendency, turn pad over and continue. Sweep any residue remaining on floors after spray buffing.

Spray or mop on Spray Buff.

- Use with any speed buffer
- Pleasantly scented
- For use on all floor finishes
- Removes heel marks
- Leaves wet look

SPRAY METHOD: Mist a small amount over an area 4 feet square. Buff with any speed buffer until desired shine is achieved.

MOP METHOD: Dilute with equal part water. Damp mop and let dry. Then buff the floor with any speed buffer. Either of these methods will produce dazzling results.

***FLOORS SHOULD BE DONE IN SMALL INCREMENTS, SO OPERATOR CAN WORK WHILE STANDING IN A DRY AREA.**

Safety Cautions

Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product.

Refer to S.D.S. for additional safety information.
