DEGREASER CLEANERS

Degrease-It Heavy Duty Butyl Degreaser

DEGREASE-IT is a highly concentrated butyl degreaser which dissolves and emulsifies the heaviest of grease accumulations. This product may also be used on carpet as a Traffic Lane Pre-spotter to loosen tough water and oil-based stains on carpet before extraction or shampoo cleaning.

Directions

Dilute 2 ounces per gallon for general degreasing and routine maintenance. Higher concentrations may be required where heavy grease accumulations exist.

CARPET PRE-SPOTTER: Dilute 2-6 oz. per gallon of water depending on the amount of soil. Spray carpet lightly holding sprayer 12" to 16" from the surface. Avoid overwetting. Allow solution to remain on carpet 5-10 minutes before extraction. This product is moderately alkaline and therefore not recommended on stain-resist (5th generation) carpets.

Safety Cautions

Keep out of reach of children. Read label and SDS before use.
Causes severe skin burns and eye damage.

Refer to S.D.S. for additional safety information.

Core Facts

Highly concentrated butyl degreaser

Excellent for many industrial and institutional applications

Typical Properties

Specific Gravity: 1.065

pH: 13.2

Total Alkalinity (as Na₂O):
1.90%

Solvents: 8.0%

Solids: 12.1%

Appearance: Clear blue liquid

Odor: Butyl
